

## Parent/Player Contract

By signing at the end of this document, you agree to the following contents of this contract.

- a) Player agrees to play baseball/softball for the Monarchs in accordance with the rules and regulations set forth by the Monarchs.
- b) A tuition fee has been established to play for the Monarchs. There is a payment plan/schedule to follow or you can pay all at once. No player will be allowed to participate in any games or practices if financial commitment is not paid according to the payment schedule established and set forth.
- c) Once you have secured your spot on the team, you are responsible for the entire cost of the 2020 tuition. If you decide to leave the team and/or no longer participate in games and/or practices for any reason, including but not limited to: injury, moving, lack of playing time, travel, discontent with coaching or instruction, amount of travel, or position/s being played, you are still liable for the entire tuition.
  - e) If any payment made by personal check to the Monarchs is returned for lack of funds, the player will be immediately declared ineligible to play in any game or practice in that season or any subsequent season until the player's account is paid up to date (in full) plus any bank fees accumulated.
- d) The Monarchs are a developmental club that develops players & people! The Head Coach will decide on playing time and what positions players will play. If there is a good reason or extenuating circumstance, etc. in which a player is unable to play a certain position(s) then the parent should bring that to the attention of the head coach. We do have an open-door policy in which parents can talk to the head coach on any issues/questions about their child. You should approach the coach in a civil manner and at the times specified by the coach in the beginning of the season. Our coaches have been instructed to put players in positions where they can be successful, as well as try to develop them at more than one position. In doing so, we feel that we will create a more well-rounded player & team. Playing time is not guaranteed and each player has to earn it.
- e) The player will show respect for coaches, teammates, officials, opponents, and parents at all times. Foul language and/or bad behavior will not be tolerated. Players can receive game suspensions and/or dismissal from the team for not adhering to behavior expectations. Game suspensions and/or dismissals will be determined by the Head Coach
- f) Parents/guardians should always be supportive of the players and will show respect for coaches, officials, and opponents at all times. Degrading comments and foul language will not be tolerated. Any Coach has the right to ask any parent or supporter to leave practice or games if behavior expectations are not adhered to. A game official can ask any spectators to behave in an appropriate manner or leave altogether and can suspend the playing of the game until their request is followed. Parents/guardians or any other spectator can be removed from games and banned from future games for cause. Players can be suspended for parts of a game, multiple games, or dismissed from the team.
- g) Parent / Player Contract) Parents/guardians will not interfere with a coach or a player immediately before, during, or immediately following a game. Once pre-game starts to post-game comments, the player is part of the Monarchs Team and we ask that the parents/guardians cheer on the team and their child. We do not want any parents, guardians, family, fans, etc. in or near the dugout during this time unless it is to attend to a hurt/sick player or to drop off a water bottle, etc.
- h) The coaches will coach and the players will play with no interference from the parents, guardians, family or fans! Parents will communicate with coaches in a professional, polite manner and at times established by the coach.

I (player/parent) have read and fully understand the Parent/Player Contract. By signing my name, I agree to all that has been written above. Finally, I agree to honor this obligation to the fullest extent.

Notes for parents (Hang this on your refrigerator)

1. Don't yell "Just throw a strike". They are trying.
2. Don't yell "Swing" or "what are you swinging at". They are trying.
3. Don't yell "Run, Go, Back, or anything else the coach might say" it is confusing and harder to coach when you do that.
4. Baseball/Softball is a very hard game. Players are getting paid \$300 Million to play and still strikeout, still make errors and still are not perfect. Your son/daughter is not making \$300 million and is not perfect, they will make mistakes.
5. Every coach has a different style and just because a coach yells doesn't mean he/she thinks any differently about your child.
6. Winning is secondary in this program. Your team will win when everyone works hard and gets better as a team.
7. There is nothing wrong with losing. What they will learn will make them better.

CHEER your child on, Enjoy the Sun, Enjoy the other parents, Support each other and let the kids have fun. Treat 0-4 the same as 4-4, treat a perfect game the same as not being able to throw a strike. Bring them to practice and the games and make sure they enjoy both.
